

GRAPHIC PANELS

EVOLVE | PRODUCT SHEET

Graphic Panels are customizable panels that allow customers to incorporate quality digital prints onto their panels to better suit their office environment. Graphic Panels are simple to specify, simple to install and allow for easy changeovers. The panels can be a sign to welcome clients, to motivate employees or to brand company logos and slogans. The possibilities are endless!

FEATURES:

- Graphic Panels are available on Evolve Standard and Light Panels in the following heights: 30", 42", 48", 54" and 66".
- Segmented Graphic Extension Modules are also available in heights of 12", 18" and 24".
- All Graphic Panels and Extension Modules are available in the following widths: 24", 30", 36", 42", 48", 54" and 60".
- Both the inside and outside Modules on Panels & Extension Modules can have a graphic.
- Pricing for Evolve Graphic Panels is determined on a case-by-case basis. Please contact Evolve Customer Care for ordering and pricing information.
- Graphic Panels Setup Fee: \$250.00 net per image.

SPECIFICATIONS & PROCEDURES

Each order must include:

- Purchase order.
- Layout showing where the image(s) appear in the run of panels.
- A completed Price Chart, showing the location of the image(s) on each appropriate panel.
- Artwork must be submitted in accordance with the following artwork specifications.
- NOTE: Final artwork specification approval must be given before order can be processed.

Transfer devices:

- Email up to 10MB to your Evolve Customer Service Representative.
- Courier CD/DVD/USB drive to your Evolve Customer Service Representative.

Submit artwork in accordance with the following Specifications:

- Non-Photographic artwork should be vector art. Saved in Adobe Illustrator (.ai) or as an EPS (.eps).
- All bitmap or photographic artwork has to be created at a minimum of 100 DPI at full size.
- We accept Adobe CS5 files.
- Any linked files must be included or embedded.
- Leave any PSD files unflattened.
- All fonts must be converted into outlines.
- Do not convert to CMYK, leave all images as RGB if possible.
- No Word, Powerpoint, Publisher or other Microsoft files can be used.
- A Pantone color reference must be supplied or we cannot accept responsibility for correct color.
- Include a PDF or .jpg for reference when sending native Photoshop or Illustrator format files.

Color matching:

- A Pantone color reference must be supplied or we cannot accept responsibility for correct color or color correction.
- When it is not possible to refer to Pantone colors, we will do our best to meet your requirements.

Image clarity:

- We will advise should the selected image not lend itself to the element size requested.

Note:

- We reserve the right to put an order on hold when files are found to be incomplete or where documents have been either incorrectly saved, fonts not supplied or the job appears not to be commercially acceptable.

Image bleed:

- To facilitate placement on the panel. Extension of the image past the finished visible area of the panel (bleed) is required.
- Evolve Panels need a 3.5" bleed on all sides.
