

LIGHT PANELS

EVOLVE | PRODUCT SHEET

Evolve Furniture Group Light Panels and Connectors help to create a more cost effective solution while still maintaining all major aesthetics of the Evolve system. Choose from fabric, slat wall, glazed, open and air flow panels. All panels are supported by a slim leg design in a matching frame finish.

FEATURES:

- Creates a more cost effective solution while maintaining the aesthetics and integrity of the Evolve system.
- Panels can be increased in heights of 6", 12", 18" or 24" increments
- A low profile cap is included with all panels.
- Choose from fabric, slat wall, glazed, open and air flow panels
- Panels are accented by a modern leg design in a matching frame finish.
