

RECEPTION PANELS

EVOLVE | PRODUCT SHEET

Evolve Reception Panels allow for effective communication, while providing separation between guests and employees. Applications can be created for Healthcare, Education, Government or Corporate environments and offer height adjustable counters for standing, seating or wheelchair access.

FEATURES:

- Pre-configured Reception Panels are 66" h
- Top Speaking Module has a glass overlay of 3" to provide voice access the entire 24" or 30" height of the module
- 6" or 12" high Sliding Glass Door module allows transfer of documents, medications or other items
- Lower portion of panels are standard in fabric or laminate, or can be configured with any standard module option
- Speaking and Sliding Door Modules are available as separate components to create additional configurations to suit almost any planning requirement
- Panel attached Reception Counters are available in various 12" or 18" deep configurations and can be adjusted in 1" increments
- Panels can be stacked to reach ceiling heights greater than 14 feet
